

They re Just Not That Into You: The Church s Struggle for Relevancy in the 21st Century (Paperback)

By Stephen R Harper

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Close to 90 of Canadians say they still believe in God, yet less than 15 go to church on a regular basis. Why is there such a disconnect between church and culture? They re Just Not That Into You: The Church s Search for Relevancy in the 21st Century explores this question. Author Stephen Harper delves into the curious shift that has occurred in western society, studying the cultural nuances affecting the church s ability to significantly influence the world around it. So is there a solution? They re Just Not That Into You investigates this reality and offers some practical solutions. Through rich theological reflection, sociological evaluation, scientific survey and sharing the stories of rooted Christian communities, Stephen Harper offers the Canadian - and global - church a valuable resource for engaging and adapting our faith practices for the advance of the missio dei in our post-modern, pluralistic realities. We need churches who are willing to release their agenda s in submission to the work Jesus desires to do in the lives of the individuals and communities we have been called....

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dominic Collins**

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
