THE MISANTHROPE

To download **The Misanthrope** eBook, you should refer to the hyperlink under and save the file or gain access to other information which might be related to THE MISANTHROPE book.

Dover Publications Inc., United States, 1992. Paperback. Book Condition: New. New edition. 211 x 132 mm. Language: English . Brand New Book. Moliere understood profoundly what makes us noble, pathetic, outrageous and funny, and in his splendid comedies satirized human folly to perfection. One of the best of his plays and one of the greatest of all comedies is The Misanthrope, first performed in 1666, when the King of France himself had assumed patronage of Moliere s company, and the actor/playwright was at the height of his career. Spotlighting the absurdities of social and literary pretension, The Misanthrope shows us a man who is quick to criticize the hypocrisies, inconsistencies and faults of others, yet remains blind to his own. As the misanthrope grows more and more irritable with others, the play becomes more and more entertaining, even as a happy ending for the hero seems less and less likely.
