

The Practical Skeptic: Readings in Sociology (Paperback)

By Lisa J. McIntyre

McGraw-Hill Education - Europe, United States, 2013.
Paperback. Condition: New. 6th edition. Language: English .
Brand New Book. The Practical Skeptic: Readings in Sociology includes classic sociological research writings as well as recent pieces on fascinating topics of interest to students. It is the ideal companion to McIntyre's text, The Practical Skeptic: Core Concepts in Sociology, or other sociology texts. Readings in this edition challenge students to re-evaluate familiar social arenas: the college classroom, televised sports shows, restaurants, doctors offices and even public restrooms. The readings focus around the essential message that there is much that goes on in the social world that escapes the sociologically untrained eye.

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and he suggested this ebook to discover.
