

Athena: Arcadian Awakening (Paperback)

By Olivia Robertson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Eleven multi-cultural Liturgy rites of the Fellowship of Isis and fifteen illustrations by the FOI co-founder, Olivia Robertson. She wrote: My new book concerns spiritual awakening through the arts. We learn of the work of Elaine and Aiden, now qualified Alchemists in the FOI Priesthood. The Rainbow Flow of Divine Life, circulates through inter-communion spirals, pervading all beings. As we progress, we extend this awareness from Spirit Guides to the sphere of Angels and Devas who are advanced beyond us, and are therefore our teachers. The culmination of Divine Beings emanating from a Heavenly Sphere comes when we are ready for it, and can enjoy it. In Heaven there is no fear, nor evil. Why should we object to various names religious people give to these beings? Let us enjoy the reality of the whole company of heaven, without religious conflict. This is the last book Olivia wrote before her passing in 2013. (FOI Foundation Center authorized publication.).

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
