Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is Homosexuality a Sin? What is the big deal about anyway? Live and let live! Isn't love good in any form or fashion? Isn't love what God is all about, is, and what the world needs?! In his book God loves Gays BUT hates Homosexuality Dr. Tim Henderson shares from a biblical perspective and answers this highly charged question. Dr. Tim Henderson, affectionately known as Pastor Tim to those closest to him, is a man who has experienced great love and mercy and has demonstrated the same in his personal life adopting three of his seven children and most of his pets including seven dogs. Dr. Tim was a bi-vocational Pastor for approximately 27 years and is now in full-time ministry as a lead Pastor in Central, IL. Dr. Tim does not endorse treating anyone, regardless of their gender, race, sexual orientation, life choices and belief system with anything less than common courtesy, dignity and mutual respect. Dr. Tim plans to utilize some of the proceeds from this book to help establish a House of Blessing that will provide temporary and emergency shelter for those in need, a fully stocked food pantry and counseling center. This center will not discriminate against anyone in need. All community members will be eligible for assistance without prejudice and without regard or discrimination based on age, race, religion, color, gender, disability, national origin, ancestry, marital status, sexual orientation or veteran status. The truth is homosexuality has existed since biblical times and has been a highly charged social and now political issue. This book takes a look at homosexuality from a biblical perspective and considers societal perspective on the LGBT community and whether a person...
